## SUBJECT

*This section is arranged alphabetically by subject area, and within each area, by paper title.*

### ADMINISTRATION

"Beyond parochialism in social welfare administration" (Spring 1978), 31-37.

"Manipulative orientation and social insight: a comparative study of social work and business administration students" (Fall 1978), 56-63.

### ADMISSIONS

"How effective are graduate social work admission criteria?" (Fall 1979), 96-102.

"The validity of admissions predictions: a replication study and implications for the future" (Spring 1979), 14-22.

### CONTINUING EDUCATION

"Continuing education as an effective linkage between schools of social work and the practice community" (Fall 1979), 81-87.

"Continuing social work education: results of a *Delphi* survey" (Winter 1979), 12-19.

"Continuing social work education: why do social workers participate in continuing education programs?" (Spring 1978), 111-116.

### CURRICULUM

"Behavioral outcomes for administration majors" (Winter 1978), 102-109.

"Beyond radicalism: an historical-materialist framework for the social policy curriculum" (Spring 1978), 60-65.

"A comparative study of two different teaching and curricular arrangements in human behavior and social environment" (Winter 1979), 103-109.

"Concentrations: empirical patterns and future prospects" (Spring 1979), 51-58.

"A conceptual framework for developing learning modules for field education" (Winter 1979), 51-58.

"Curriculum directions for an upgraded MSW: administration for everyone?" (Spring 1979), 65-71.

"Defining the basic curriculum" (Spring 1978), 24-30.

"A design for teaching human behavior in a generalist undergraduate program" (Spring 1979), 45-50.

"Developing curricular options in the pursuit of integration" (Winter 1978), 94-101.

"Emerging BSW programs effecting change in MSW programs and curricula" (Spring 1978), 3-8.

"The human service delivery system curriculum: a conceptual framework" (Winter 1979), 20-28.

"Integrating the problem-oriented record with a systems approach to case assessment" (Fall 1978), 71-77.

"Models of interdisciplinary programs in social work doctoral education" (Spring 1979), 108-115.

"A pragmatic model for integrating minority content in the social work curriculum: toward developing an alternate incentive network" (Spring 1979), 100-107.

"Skill development through competency-based education" (Winter 1978), 73-81.

"The use of the coworker approach as a teaching model in graduate student field education" (Winter 1979), 72-79.

### ETHNIC MINORITIES

"Developmental theory: a yardstick for ethnic minority content" (Fall 1979), 28-35.

"How do Black graduate social work students benefit from a course on institutional racism?" (Fall 1978), 27-33.

"Minority students in social work doctoral programs: some considerations for recruitment and retention" (Fall 1979), 58-63.

"Patterns of Black leadership: implications for social work education" (Winter 1978), 87-93.

"Quantifying minority student enrollment goals" (Fall 1978), 100-106.

"Social workers view ethnic minority teaching" (Fall 1979), 20-27.

"Toward a model for the inclusion of ethnic minority content in doctoral social work education" (Winter 1979), 29-35.

### FACULTY AND TEACHING

"Analysis of selected social work journals and productivity rankings among schools of social work" (Fall 1979), 72-80.

"The Black instructor: an essential dimension to the content and structure of the social work curriculum" (Winter 1978), 16-22.

"Criteria for appointment, promotion, and retention of faculty in graduate social work programs" (Spring 1978), 74-81.

"Ethnic and sex-based differentials in background and status variables among faculties of schools of social work" (Fall 1979), 36-43.

"Factors in the resignation of graduate school of social work deans: 1975-77" (Spring 1979), 59-64.

"Graduate student and faculty perspectives on criteria used in evaluating effective classroom teaching" (Winter 1978), 60-65.

"Hiring trends in social work education" (Fall 1979), 13-19.

"Inbreeding in social work education: an empirical examination" (Spring 1979), 23-29.

"Interdisciplinary team teaching in a *barrio* primary care mental health setting" (Fall 1979), 44-50.

"Independent and interactional effects of ethnicity and sex on salary inequities in schools of social work" (Winter 1978), 52-59.

"Patterns of deployment among graduate faculty: a survey" (Fall 1979), 64-71.

"The small group oral examination as an educational tool" (Winter 1978), 82-86.

"Teaching personnel system design: manpower utilization" (Winter 1978), 39-44.

## FIELD INSTRUCTION

"The field instruction component in the administration concentration: some problems and suggested remedies" (Winter 1979), 5-11.

"Fieldwork in industrial settings: opportunities, rewards, and dilemmas" (Fall 1978), 13-19.

"Linkage and progression of associate-baccalaureate-graduate students in field instruction: report from a pilot project" (Winter 1979), 59-65.

## INTERNATIONAL PROGRAMS

"Casework in developing nations" (Spring 1978), 46-52.

## RESEARCH

"Dissemination and utilization of student research" (Spring 1979), 72-78.

"Encouraging MSW students to write for publication: a realistic goal of the research curriculum" (Fall 1978), 78-85.

"Knowledge for social work roles in community mental health: findings of empirical research" (Spring 1978), 16-23.

"Research education for clinical social workers: an intermediate approach" (Fall 1978), 49-55.

"Teaching research methodology from Z to A" (Winter 1978), 66-72.

## SOCIAL WORK EDUCATION

"Affirmative action for the physically disabled in social work education" (Fall 1978), 64-70.

"Applications of the normalization principle in the human services: implications for social work education" (Fall 1978), 44-50.

"Assessing performance consequences of changes in educational policy: toward systematic experimentation" (Winter 1979), 95-102.

"The concepts of effectiveness and efficiency applied to the social work profession: an historical perspective" (Spring 1978), 90-97.

"Critical issues in social work education" (Spring 1979), 5-13.

"The development of empathic skill: a study" (Spring 1979), 30-37.

"Differentiating between social research and social *work* research: implications for teaching" (Spring 1978), 9-15.

"Educating students for the practice of creative groupwork" (Fall 1978), 42-48.

"Empathy: the charismatic chimera" (Fall 1978), 86-92.

"Exploring the boundaries of videotape self-confrontation" (Winter 1979), 87-94.

"Feast or famine: the future for doctoral education in social work" (Winter 1979), 110-115.

"Liberal education and social work education" (Winter 1978), 31-38.

"Measurement through practice" (Winter 1978), 10-15.

"New directions in social work education: the task force reports" (Winter 1978), 23-30.

"Promises, failures and new promises in juvenile justice: implications for social work education in the 1980s" (Fall 1979), 88-95.

"Social policy specialization in social work education: a survey of graduates" (Fall 1978), 114-119.

"Social work and legal education: can they unite to serve the elderly?" (Spring 1979), 87-93.

"Some implications of the block grant for social work education" (Spring 1978), 104-110.

"Strengthening the fundraising component in social work education" (Spring 1978), 53-59.

"Teaching communication/interviewing skills to urban undergraduate social work students" (Winter 1979), 66-71.

"Training police social workers: a neglected area of social work education" (Spring 1978), 98-103.

"Trends in education for social work practice with groups" (Spring 1979), 94-99.

"Undergraduate social work education and the liberal tradition" (Spring 1979), 38-44.

"Undergraduate social work manpower and job opportunities: a regional study" (Fall 1978), 34-41.

## SOCIAL WORKERS

"Bertha Capen Reynolds: social worker of all times" (Fall 1979), 5-12.

"Labor relations and the unionization of professional social workers: a neglected area in social work education" (Winter 1979), 80-86.

"Preparing social workers for an age of accountability: understanding cost analysis" (Fall 1978), 107-113.

"Social work function in a caring society: abstract value, professional preference, and the real world" (Spring 1978), 82-89.

"Toward management training in social welfare" (Fall 1978), 93-99.

"Training social work supervisors to meet organizational and worker objectives" (Spring 1978), 38-45.

"Values: the uncertain component in social work" (Spring 1979), 79-86.

**STUDENTS**

"Graduate students' judgments about clients: the effects of social class" (Winter 1978), 45-51.

"Multidimensional student evaluation: an integrated approach to a social work research course" (Winter 1979), 36-43.

"Preparing social work students for life-transition counseling within the human behavior sequence" (Spring 1978), 66-73.

"Social work student evaluation: format and method" (Fall 1979), 103-108

"Students as management simulation designers: guidelines for integrating classroom and practicum experiences" (Winter 1978), 3-9.

"Unique learning needs of physically handicapped social work students" (Winter 1978), 110-117.

**WOMEN'S STUDIES**

"A new course model for content on women's issues in social work education" (Fall 1978), 20-26.

"Student and faculty perceptions of women's content in the curriculum" (Fall 1979), 51-57.

## BOOK REVIEWS

*Book reviews are arranged alphabetically by the name of the reviewer.*
